MAN AGAINST DARKNESS

Because of them

the men illustrated in the pages that follow—we enjoy a world wherein ignorance, disease, intolerance, and poverty are swiftly becoming things of the past.

HEROIC PIONEERS—OPEN MINDS . . . these illustrious individuals often sacrificed their very lives in the interest of their ideals and humanitarian aims.

It behooves us to cherish the heritage of enlightenment they bequeathed to humankind.

Truth

Makes Men Free . . .

Consequently, those who sought it and attempted to expound it to their fellows became the objects of persecution by tyrants. The tyrants were *the ancient dictators* who sought to dominate the lives and thinking of men and women to further their own personal gain or their beliefs. For example, the Roman Emperor Justinian was one of these. He was a misguided religious zealot who issued an edict in the sixth century seeking to abolish all the mystery schools. He considered men and women who had acquired personal power and great confidence in themselves—by the unusual knowledge they had discovered—a menace to the orthodox and often superstitious dogmas which he wished to promote. Thus it became necessary that this wisdom be *secreted* and kept for the *inquiring, courageous* few out of every thousand persons.

This amazing knowledge, which secret brotherhoods have preserved, is available today to the seeker for personal power and the mastery of life. The oldest of these brotherhoods, world-wide in extent, and *not a religious sect*, is the Rosicrucians. It offers you this knowledge as old as time, devoid of religious intolerance, and without political or other prejudices or biases.

Write today for the free booklet, *The Mastery of Life*. It explains who and what the Rosicrucians are and moreover *how they can help you with your own life*. Address:
